- Holiday Party-----8
- Independence 4-H 2025-26 Officers-----9

### President's Message

Abbey Casey

Hi everyone! I hope that you all had an amazing January and are looking forward to the month ahead. I, for one, am very excited about the weather warming up and the days getting longer. We have an incredibly fun meeting coming up on February 11th, with a program about spreading kindness, a Valentine's Day activity in teams, and an opportunity to win a jar full of conversation hearts. As we are now more than halfway through the 4-H year, I encourage you all to look towards the end-of-year events that are quickly heading our way. We have multiple fairs, the Apple Blossom Parade, Fashion Revue, and the Chicken-Que happening in the coming months, so make sure to look out for more information about how to participate in those. The executive board is also hoping to find some more hands-on community service activities to host as the weather warms up!

I am excited to see you all at the general meeting next week, and I hope that this gathering will help us reign in the good weather and spread positivity throughout the club.

## Community Club Leader's Letter

Lindsay Maddocks

Hello Independence 4-H Club Families,

The new year is well under way! Thank you to all our club families who helped with the annual Goat Treecycling Fundraiser. It was a wonderful success with all the funds raised returning back to our club, for the benefit of our club program. A very special thank you to Hannah Van De Mark and Kathleen Cochran for organizing the event this year and to all the families that participated in distributing flyers and picking up trees.

Presentation Day was a huge success. Out of all the clubs in Sonoma County, Independence 4-H had the greatest number of presenters, taking home highest awards. I am so very proud of each of you for having the courage to attend and participate, congratulations! Fun in February comes in the form of the earliest fair in California, the Cloverdale Citrus Fair ~ February 13-16. This year's theme "Celebrating America....250 Years Then & Now". Make time to go out and check out the fair. For those who are participating in still or livestock exhibits, I look forward to seeing your entries! Remember, 4-H provides each of you an opportunity to not only enjoy your current interests but also to explore new ones. You might just be surprised where your explorations lead you. Have a fabulously fun February!

## Apple Blossom

Ash Hobbins

Unfortunately the groundhog Punxsutawney Phil has seen his shadow and declared that we will have another six weeks of winter, but, with spring on the rise, that means the Apple Blossom Parade is coming soon! This year the Apple Blossom Parade will be in April on the weekend of the 25th and 26th. The parade starts on the 25th at 10AM on Main Street Sebastopol. The festival runs through both days. The theme this year is "Blossoms of OZ". Our club will be participating in the parade this year with a float, and walking along with other local 4-H clubs. I have personally found in the years I've attended for it to be so fun to walk along with/or ride the float in support of our club. For those who want it, we will also be offering a project this year, the "Apple Blossom Float Project" for people interested in helping build the float. If you are interested in the project or have any questions about it please contact Lindsay Maddocks at [lmaddocks@outlook.com](mailto:lmaddocks@outlook.com).

# Fashion Revue

Nicholas Bard

Save the date Sunday, April 26<sup>th</sup>, 2026 for Fashion Revue at the YAL Center. This year's theme is Follow the Yellow Brick Runway. I have participated in Fashion Revue for the past 2 years, and I find that it is a rewarding experience because it is always a challenge for me! There are several categories you can choose to enter: from Needlework, Upcycle, Costume, to Accessories. There is also a category called Consumer Science. This is where you get to coordinate and show off an entire outfit, from your shoes, to your clothes, to all the accessories for under \$50. I think this is a good challenge, and probably one we all should adopt when we go shopping nowadays! Just keep your receipts if you want to tackle this category. Everyone should try entering the Fashion Revue at least once, it is a ton of fun! Trust me, there is a category for everyone's capability. You can enter Fashion Revue even if you are not in a textile-related 4-H Project. I look forward to seeing you there this year!

## Community Service

Aidan Hobbins

For this month's community service, we will be helping out with the Redwood Empire Food Bank's "Spread the Love" peanut butter drive. They do this drive every February, every year, and we also did this for last year's February community service.

Please try to bring a jar of peanut butter to Wednesday's meeting.

Happy February!

## Monthly Comic

Stetson Webb

## Bowmaking Workshops

Learn an ancient and beautiful craft - experience the joy of letting an arrow fly from your own handmade bow! I am hosting bowmaking workshops for kids 10+ and adults. In the workshops we use traditional hand tools to work on bow staves harvested from local trees.

Location: Sebastopol, CA Dates: Workshops will be scheduled depending on availability of participants

Teacher: Torgeir Leirmo

For more information and to sign up, contact Tor at: [torgeirleirmo@gmail.com](mailto:torgeirleirmo@gmail.com)
